

End-to-End Meeting Management Solution for School Boards

*More than agendas...
It's meeting management, and that's better.*

Many school boards, colleges and universities rely on paper-based processes to manage their meetings. But with shrinking budgets and resources, there is a need to streamline processes and reduce manual tasks through adopting technology.

To that end, eSCRIBE offers modular, end-to-end meeting management solutions that boosts transparency and staff efficiency, while providing insights that improve the educational experience for stakeholders.

Top Common Challenges:

- Managing late items and approvals
- Meeting accessibility requirements, e.g. AODA, WCAG 2.0
- Addressing transparency mandates
- Inconsistencies and lack of standards
- Limited internal collaboration
- Maintaining manual processes
- Audit and reporting
- Budget/staff cuts

Use What You Need

eSCRIBE is modular, with each module performing key meeting functions before, during and after the meeting. You buy only what you need, and add functionality as your needs evolve. eSCRIBE also offers turnkey bundles at a discount that solve common business pain points to take the guess work out of the process.

The easy-to-use, single platform reduces complexity. Users are freed to focus on higher-value tasks and projects to better serve their stakeholders.

“eSCRIBE catapulted us into the 21st Century! In less than 8 months, we have stopped producing paper copies for Administrative and Academic Council meetings and reduced the number of printed Board agendas and reports. As an Executive Assistant, eSCRIBE has drastically reduced my workload – from preparing agendas and collating reports to tracking minutes and assigning tasks, the whole process has become more cost effective and time efficient.”

Danielle Ross, Executive Assistant, Director's Office
Halton Catholic District School Board
